RE: Trillium Drug Program Renewals

We enclose a notice that we just received regarding the Trillium Drug Program “TDP” for the 2009/2010 year [which begins on August 1, 2009]. We also enclose a “poster” which you can use to inform clients.

Any household that has not had its TDP eligibility confirmed by August 1, 2009, will have to pay directly for all prescription medications from August 1, 2009, until the household’s renewal information is received and processed by the Trillium Drug Program. Anyone paying for prescriptions should keep all prescription receipts to submit to the Trillium Drug Program after their TDP renewal is confirmed.

Any household that has not received confirmation of TDP coverage for the 2009/2010 benefit year should contact the Trillium Drug Program immediately to provide the required renewal documentation. The TDP can be contacted at: 1-800-575-5386 or 416-642-3038.

If you or your clients have any questions, please do not hesitate to contact us.

Thank you.
